How it works: Please send this return authorization form back to us with your original receipt and the exchange / defective item. Customer is responsible for all shipping charges to and from our stores unless it was our error. We will process returns and refunds as soon as possible (typically 1 week). Please retain any shipping info concerning your return, we cannot be held responsible for lost shipments. We strongly recommend a shipping carrier that provides a tracking number for your shipment. All returns are inspected for misuse and fraud. Any item that includes any type of customization (numbering, printing, etc.) may not be returned. Any item that has been laundered or shows signs of wear may not be returned. We will not be able to take any CDs or DVDs that have the cellophane packaging removed. All returns must be within 30 days of original purchase, no exceptions.

On all items that are denied a return, the customer will be contacted and will be responsible for return shipping.
